

CANDIDATE FOR POST 4

Kent Woerner

Characteristics:

- Very personable, strong personality without seeming overbearing, deep community involvement, business owner, very knowledgeable about local issues, high integrity.
- Long experience as educator, high school principal, strong negotiator (had to frequently negotiate with parents, teachers, administration & community leaders), believed strongly in getting bad teachers out of the classroom.
- Believes in collaboration to produce win-win situations.

Beliefs about being a county commissioner:

- More openness from county government is essential.
- Understands need for fiscal conservatism and accountability.
- SPLOST -Experience with education SPLOST, believes strongly in more detailed descriptions of projects and costs, understands SPLOST process well.
- Service Delivery Strategy must be solved to benefit all Rabun citizens, concerned that paving of roads seems to be lagging.
- Wants to create well-run County but fiscally conservative government committed to the needs of its citizen
- Believes in involving citizens with special talents in assisting county government whenever possible, favorable to town hall meetings.
